

## ***Federally Mandated Emissions Warranties a Threat?***

**Is the advent of a 15-year/150,000-mile government-mandated emissions warranty a threat to the future of the automotive aftermarket?**

**Yes                    60.9%**

**No                     32.2%**

**I don't know        7.0%**
